

President's Message

Dear GVAA Members,

I hope you are having a great summer and are taking full advantage of all the art-related events available in our area. Our June show at the Goleta Library was outstanding for the awesome variety of approaches of two dimensional interpretation, ranging from small water colors and collages to large oils, from realistic landscapes and floral works to abstracts. Our GVAA artists put their best art forward once again. Our June juror, Karen McLean-McGaw, did an excellent job of evaluating each art piece and giving constructive suggestions. She discussed her reasons for choosing each piece of art work, and her suggestions for improving the presentation of the piece followed. Everyone I talked to gave Karen a "thumbs up" for an excellent and instructive critique.

By the time this newsletter reaches most of you, our July Picnic will have occurred. For those of you that were able to attend, I hope you had a great time, got plenty to eat, visited with some old friends and made some new friends. For those of you that were unable to attend, my condolences and encouragement to attend next year. We missed everyone who was unable to be there.

No July show at the Goleta Library, but we will have an August show at the Library, and the event at Stow House in September promises to be outstanding! I encourage each and every GVAA member to take advantage of the opportunity to exhibit your work, to help set up, volunteer your time, etc., to make this event our best ever! Please contact Marie Arnold to let her know how you can help her.

Finally our *final* Paint Out of the year will be the first weekend in August at the Coal-Oil Point area at the North end of Isla Vista from dawn until dusk. Contact Gary Forssell for directions to the site. It is a great opportunity to paint plein air with colleagues.

Sincerely,

Gary E. Forssell,
President of GVAA
