

GVAA's Winter Art Show and Sale at the Marketplace

Members of the Goleta Valley Art Association will have the opportunity to show and sell their works of art when the Association hosts its winter show and sale

Saturday, November 26

10 a.m.-4 p.m.

This will be a non-juried exhibition, outdoors at Camino Real Marketplace in Goleta, where locals and tourists will be gathering to eat and shop for the holidays. If you would like to be a part of this exciting event, here are some guidelines for you to be thinking about...

TGVAA will provide:

- Display panels (see application for sizes) and hooks for hanging.
 - WE ARE CHANGING THE CONFIGURATION OF THE PANELS. Please the sketch on the next page for a description.
- White plastic table covers.
- Pop-up tents.
- Receipt books for sales.

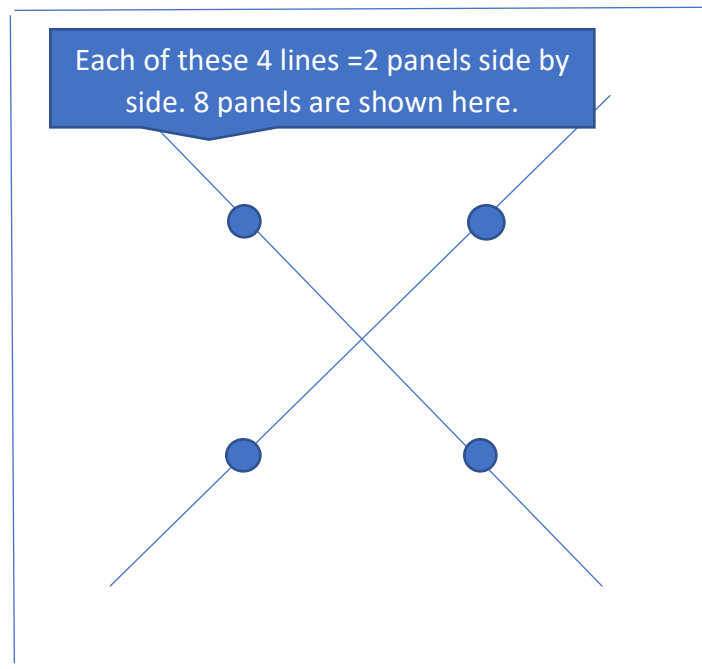

Artists:

- Participants agree to be present the day of the show. Artists should bring their own chair(s)—maximum 2 if bringing someone to assist you.
- Artists may bring tables to show craft items. Tables must be placed outside the tent adjacent to the artist's panels.
- A 25% commission will be deducted from the price to cover the cost and advertising of the show and a charitable donation based on sales.
- Participating artists should plan to arrive at the Marketplace 9 a.m. on November 26 to hang and label their work and set up their tables, if using.

- The payment process will be described at the event. Briefly, the artists will be provided receipt books. The top two copies will be given to the customer to take to the payment table under the red tent. Once paid, the customer will return to the artist with proof of payment and be given what they purchased. The third copy stays in the receipt book.

NEW CONFIGURATION OF PANELS

The panels will be arranged as below. Each of the four lines radiating from the center represents two panels side by side versus in a V shape as we have used in the past. For instance, each of the four lines represents ONE of the following sizes: 60" wide (2-30" side by side) X72" high, 120" wide (4-30" side by side) by 72" high, 76" wide (2-38" side by side) by 60" high-mesh/72" high-fabric, or 152" (4-38" side by side-60" high mesh/72" high fabric). This will allow all artwork to be sheltered by the canopies, represented by the outer line.
